

## How to use blended learning techniques in CLIL

Tutor: Horváth József

This course aims to inspire you to develop your own blended learning courses in English. You can rely on your previous knowledge and skills in teaching. You will be able to enhance that experience by participating in ten classroom sessions and five e-learning sessions.

Weekly themes and activities:

- 1: Introduction
- 2: Needs analysis
- 3: Presentation skills 1: Narrative talk and prezi
- 4: Presentation skills 2: Using presenter notes
- 5: Scaffolding collaboration 1: Coospace forum
- 6: Scaffolding collaboration 2: Dropbox and Google Drive
- 7: Social media in CLIL 1: Flipboard
- 8: Social media in CLIL 2: Web conferencing with Google Hangouts
- 9: From online to mobile: Podcasts
- 10: Hoaxes and urban legends
- 11: E-books 1: Consumption
- 12: E-books 2: Consumption
- 13: E-books 3: Creation
- 14: Participants' show-and-tell presentations
- 15: Conclusion
